7:00 Arrive home

This trip is designed to enhance the 4th grade history benchmarks and is especially appropriate for children entering or completing the 4th grade. But this camp will be engaging for all ages.

We'll camp on the Snake River at the Birds of Prey National Conservation Area and spend the week visiting Museums that help to understand Idaho's vibrant history.

While this is an academic trip we'll also spend time swimming and playing in the Boise and Snake Rivers, go to the zoo, birds of prey center, and have stories and activities at night.

Parents are welcome on the trip!
